

FUNDAMENTALS OF THE PARLIAMENTARY MAJORITY FOR THE EUROPEAN FUTURE OF BOSNIA AND HERZEGOVINA

Aware of the time we live in and the responsibility towards the peoples and the citizens of Bosnia and Herzegovina,

Convinced that the democratic institutions are based on the respect of human rights and freedoms,

Committed to Bosnia and Herzegovina based on the principle of the absolute constitutional and institutional equality of all the peoples and the citizens with the aim of establishment and preservation of the peaceful, stabile, just, functional, rational and European state,

Guided by the principles of mutual trust and respect and the joint search for solutions to all the open issues,

Political parties-signatories to the Fundamentals agree to constitute the authorities respecting the majority electoral legitimacy of all the constitutive peoples (Croats, Bosniaks and Serbs) at all the levels of authority for which the General 2010 elections were held and, in that way, to ensure the respect of the democratic electoral will of all the constitutive peoples and citizens,

The signatories hereby commit themselves to:

- work on drafting and passing the constitutional solutions that will provide full constitutional and institutional equality of all three constitutive peoples and every citizen in the whole territory of BiH including the harmonisation of the BiH Constitution with the Judgment of the European Court for Human Rights in Strasbourg (until 30th June 2011);
- work on changes and amendments to the electoral legislation of BiH which will provide for carrying out the elections in accordance with the highest democratic standards and ensure in that way the respect of the right to chose and the implementation of the electoral will of all constitutive peoples and of every citizen in BiH, thereby preventing from any misuse of the election process and ensuring the most efficient constitution of authority at all levels in BiH;
- carry out faster harmonisation of the domestic legislation with the European legislation, ensuring in that way all the necessary preconditions for the faster implementation of the necessary conditions for joining the European and Euro-Atlantic integrations;

- work on establishing and strengthening the independent and unbiased institutions of the rule of law with the aim of fighting all the forms of crimes and ensuring the full legal security for every citizen;

- work on providing the conditions for carrying out the necessary economic and social reforms with the aim of stopping the negative economic trends and getting out of the economic crisis together with creation of the legal framework for the favourable and just social environment that will guarantee economic stability and steady development of all the parts of BiH;

- work on promptly drafting the action plan for the implementation of these fundamental guidelines with sound and clear definition of deadlines and main actors.
